YOUNG WOMEN IN DISCRETE MATHEMATICS

Bonn, June 7 – 9, 2013

The aim of the workshop is to provide a platform for young female researchers in Discrete Mathematics and applications for scientific discussion and exchange of ideas.

Plenary speaker:

Prof. Angelika Steger, ETH Zürich, Switzerland

We invite advanced master students, PhD students and postdocs to apply for participation by **March 15, 2013**.

Financial support can be granted.
